#### Instructions

### Read all instructions carefully before completing this form.

Anti-Discrimination Notice. It is illegal to discriminate against any individual (other than an alien not authorized to work in the United States) in hiring, discharging, or recruiting or referring for a fee because of that individual's national origin or citizenship status. It is illegal to discriminate against work-authorized individuals. Employers CANNOT specify which document(s) they will accept from an employee. The refusal to hire an individual because the documents presented have a future expiration date may also constitute illegal discrimination. For more information, call the Office of Special Counsel for Immigration Related Unfair Employment Practices at 1-800-255-8155.

## What Is the Purpose of This Form?

The purpose of this form is to document that each new employee (both citizen and noncitizen) hired after November 6, 1986, is authorized to work in the United States.

### When Should Form I-9 Be Used?

All employees, citizens, and noncitizens hired after November 6, 1986, and working in the United States must complete Form I-9.

## Filling Out Form I-9

### Section 1, Employee

This part of the form must be completed no later than the time of hire, which is the actual beginning of employment. Providing the Social Security Number is voluntary, except for employees hired by employers participating in the USCIS Electronic Employment Eligibility Verification Program (E-Verify). The employer is responsible for ensuring that Section 1 is timely and properly completed.

#### **Noncitizen Nationals of the United States**

Noncitizen nationals of the United States are persons born in American Samoa, certain former citizens of the former Trust Territory of the Pacific Islands, and certain children of noncitizen nationals born abroad.

**Employers should note** the work authorization expiration date (if any) shown in **Section 1**. For employees who indicate an employment authorization expiration date in **Section 1**, employers are required to reverify employment authorization for employment on or before the date shown. Note that some employees may leave the expiration date blank if they are aliens whose work authorization does not expire (e.g., asylees, refugees, certain citizens of the Federated States of Micronesia or the Republic of the Marshall Islands). For such employees, reverification does not apply unless they choose to present

in Section 2 evidence of employment authorization that contains an expiration date (e.g., Employment Authorization Document (Form I-766)).

### Preparer/Translator Certification

The Preparer/Translator Certification must be completed if **Section 1** is prepared by a person other than the employee. A preparer/translator may be used only when the employee is unable to complete **Section 1** on his or her own. However, the employee must still sign **Section 1** personally.

### Section 2, Employer

For the purpose of completing this form, the term "employer" means all employers including those recruiters and referrers for a fee who are agricultural associations, agricultural employers, or farm labor contractors. Employers must complete **Section 2** by examining evidence of identity and employment authorization within three business days of the date employment begins. However, if an employer hires an individual for less than three business days, **Section 2** must be completed at the time employment begins. Employers cannot specify which document(s) listed on the last page of Form I-9 employees present to establish identity and employment authorization. Employees may present any List A document **OR** a combination of a List B and a List C document.

If an employee is unable to present a required document (or documents), the employee must present an acceptable receipt in lieu of a document listed on the last page of this form. Receipts showing that a person has applied for an initial grant of employment authorization, or for renewal of employment authorization, are not acceptable. Employees must present receipts within three business days of the date employment begins and must present valid replacement documents within 90 days or other specified time.

## **Employers must record in Section 2:**

- 1. Document title;
- 2. Issuing authority;
- 3. Document number;
- 4. Expiration date, if any; and
- **5.** The date employment begins.

Employers must sign and date the certification in **Section 2**. Employees must present original documents. Employers may, but are not required to, photocopy the document(s) presented. If photocopies are made, they must be made for all new hires. Photocopies may only be used for the verification process and must be retained with Form I-9. **Employers are still responsible for completing and retaining Form I-9**.

For more detailed information, you may refer to the USCIS Handbook for Employers (Form M-274). You may obtain the handbook using the contact information found under the header "USCIS Forms and Information."

### Section 3, Updating and Reverification

Employers must complete **Section 3** when updating and/or reverifying Form I-9. Employers must reverify employment authorization of their employees on or before the work authorization expiration date recorded in **Section 1** (if any). Employers **CANNOT** specify which document(s) they will accept from an employee.

- **A.** If an employee's name has changed at the time this form is being updated/reverified, complete Block A.
- **B.** If an employee is rehired within three years of the date this form was originally completed and the employee is still authorized to be employed on the same basis as previously indicated on this form (updating), complete Block B and the signature block.
- **C.** If an employee is rehired within three years of the date this form was originally completed and the employee's work authorization has expired **or** if a current employee's work authorization is about to expire (reverification), complete Block B; and:
  - Examine any document that reflects the employee is authorized to work in the United States (see List A or C);
  - 2. Record the document title, document number, and expiration date (if any) in Block C; and
  - **3.** Complete the signature block.

Note that for reverification purposes, employers have the option of completing a new Form I-9 instead of completing **Section 3.** 

## What Is the Filing Fee?

There is no associated filing fee for completing Form I-9. This form is not filed with USCIS or any government agency. Form I-9 must be retained by the employer and made available for inspection by U.S. Government officials as specified in the Privacy Act Notice below.

## **Privacy Act Notice**

The authority for collecting this information is the Immigration Reform and Control Act of 1986, Pub. L. 99-603 (8 USC 1324a).

This information is for employers to verify the eligibility of individuals for employment to preclude the unlawful hiring, or recruiting or referring for a fee, of aliens who are not authorized to work in the United States.

This information will be used by employers as a record of their basis for determining eligibility of an employee to work in the United States. The form will be kept by the employer and made available for inspection by authorized officials of the Department of Homeland Security, Department of Labor, and Office of Special Counsel for Immigration-Related Unfair Employment Practices.

Submission of the information required in this form is voluntary. However, an individual may not begin employment unless this form is completed, since employers are subject to civil or criminal penalties if they do not comply with the Immigration Reform and Control Act of 1986.

INSTRUCTIONS TO EMPLOYER: Employers must report all new hires to the State of Michigan. Keep a copy of this certificate with your records. If the employee claims 10 or more personal and dependent exemptions or claims a status exempting the employee from withholding, you must file their original MI-W4 form with the Michigan Department of Treasury. Mail to: New Hire Operations Center, P.O. Box 85010; Lansing, MI 48908-5010.					

## **INSTRUCTIONS TO EMPLOYEE**

You must submit a Michigan withholding exemption certificate (form MI-W4) to your employer on or before the date that employment begins. If you fail or refuse to submit this certificate, your employer must withhold tax from your compensation without allowance for any exemptions. Your employer is required to notify the Michigan Department of Treasury if you have claimed 10 or more personal and dependent exemptions or claimed a status which exempts you from withholding.

You MUST file a new MI-W4 within 10 days if your residency status changes or if your exemptions decrease because: a) your spouse, for whom you have been claiming an exemption, is divorced or legally separated from you or claims his/her own exemption(s) on a separate certificate, or b) a dependent must be dropped for federal purposes.

**Line 5:** If you check "Yes," enter your date of hire (mo/day/year).

**Line 6:** Personal and dependent exemptions. The total number of exemptions you claim on the MI-W4 may not exceed the number of exemptions you are entitled to claim when you file your Michigan individual income tax return.

If you are married and you and your spouse are both employed, you both may not claim the same exemptions with each of your employers. If you hold more than one job, you may not claim the same exemptions with more than one employer. If you claim the same exemptions at more than one job, your tax will be under withheld.

**Line 7:** You may designate additional withholding if you expect to owe more than the amount withheld.

Line 8: You may claim exemption from Michigan income tax withholding ONLY if you do not anticipate a Michigan income tax liability for the current year because all of the following exist: a) your employment is less than full time, b) your personal and dependent exemption allowance exceeds your annual compensation, c) you claimed exemption from federal withholding, d) you did not incur a Michigan income tax liability for the previous year. You may also claim exemption if your permanent home (domicile) is located in a Renaissance Zone. Members of flow-through entities may not claim exemption from nonresident flow-through withholding. For more information on Renaissance Zones call the Michigan Tele-Help System, 1-800-827-4000. Full-time students that do not satisfy all of the above requirements cannot claim exempt status.

## Form W-4 (2009)

**Purpose.** Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. Consider completing a new Form W-4 each year and when your personal or financial situation changes.

**Exemption from withholding.** If you are exempt, complete **only** lines 1, 2, 3, 4, and 7 and sign the form to validate it. Your exemption for 2009 expires February 16, 2010. See Pub. 505, Tax Withholding and Estimated Tax.

Note. You cannot claim exemption from withholding if (a) your income exceeds \$950 and includes more than \$300 of unearned income (for example, interest and dividends) and (b) another person can claim you as a dependent on their tax return.

Basic instructions. If you are not exempt, complete the Personal Allowances Worksheet below. The worksheets on page 2 further adjust your withholding allowances based on itemized deductions, certain credits, adjustments to income, or two-earner/multiple job situations.

Complete all worksheets that apply. However, you may claim fewer (or zero) allowances. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Head of household. Generally, you may claim head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and your dependent(s) or other qualifying individuals. See Pub. 501, Exemptions, Standard Deduction, and Filing Information, for information.

Tax credits. You can take projected tax credits into account in figuring your allowable number of withholding allowances. Credits for child or dependent care expenses and the child tax credit may be claimed using the Personal Allowances Worksheet below. See Pub. 919, How Do I Adjust My Tax Withholding, for information on converting your other credits into withholding allowances.

**Nonwage income.** If you have a large amount of nonwage income, such as interest or

dividends, consider making estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. Otherwise, you may owe additional tax. If you have pension or annuity income, see Pub. 919 to find out if you should adjust your withholding on Form W-4 or W-4P.

Two earners or multiple jobs. If you have a working spouse or more than one job, figure the total number of allowances you are entitled to claim on all jobs using worksheets from only one Form W-4. Your withholding usually will be most accurate when all allowances are claimed on the Form W-4 for the highest paying job and zero allowances are claimed on the others. See Pub. 919 for details.

**Nonresident alien.** If you are a nonresident alien, see the Instructions for Form 8233 before completing this Form W-4.

Check your withholding. After your Form W-4 takes effect, use Pub. 919 to see how the amount you are having withheld compares to your projected total tax for 2009. See Pub. 919, especially if your earnings exceed \$130,000 (Single) or \$180,000 (Married).
